Subject: Topiary on Tampa

It's finished. In the ground. Planted. Decorated. Go have a look. On Tampa just south of the 118. I am happy. Councilman Greig Smith, past President of NWNC Peter Lasky, Keith and I finished it up this morning. Thank you Melissa, Linda and Leonardo for the photo work and all the support. Over the remainder of this year I will produce the 15 or so remaining Ranch/Farm animals to complete the project in the center median down to Devonshire.

I just wanted to say "thank you" for all the wonderful information on upcoming events and groups which you post in your newsletter. I don't think I would know that there are so many wonderful and meaningful activities happening here in the San Fernando Valley without your newsletter! Thank you!
